Cumbria v Durham 24th July at Ulverston.

After overnight thunderstorms the sun came out and battle was joined with Durham. Our team of Rosie Waller, Janette McWhirter, Nicola Tebbutt, Sue Cotter, Alyson Wood, Brenda Ewbank and myself were faced with a determined Durham team. Everyone gave of their best - as usual. Sue Cotter and Alyson Wood won their matches, Rosie halved with Ruth Lindley and three other matches went to the 18th but ended in Durham's favour. The score of Durham 4.5 to our 2.5 could have been very different but that's the vagaries of the game. Ulverston provided an excellent buffet after the match which was enjoyed by all. The Cumbrian caddies were an integral part of our team and I would like to thank them for all their support.

As this is the last fixture to be played at Ulverston this year, again I wish to express mine and the Vets appreciation for the club's wholehearted support. It has been generous and a great help to me.

## Durham Match 2018

We were warmly greeted at Brancepeth GC by Durham Captain Rosie (a little confusing as we played each other in the match) and Marianne BCGC captain. We had a very hot practise round with a naught prank played on me by the team on the 18th tee luckily Kath was not injured and was able to play in the match. So after a few bottles of beer and wine and birthday cake to celebrate Sue Cotters birthday we had a early night.

The teams were announced at 9-30 and the 1st on the tee at 10-30 giving us a little time to practise, the 1st 2 games Janette's and Kath s went up the 18th and could of gone either way but Durham won them both, but following behind Nic and Brenda won their games so all square, Sue we heard was 5 down after 10 but in Cumbrian grit she grinned her way back birdieing 3 of the par 5,s and getting used to her new scotty Cameron putter a present for her birthday went up the 18th 1up we watched from a distance on the 18th tee as they both went in the green side bunker with their 2nd shots but the come back kid Sue won the hole finishing 2 up! Not letting the team down Rosie with President Sue on her bag won their match and Alyson with vice Trudy on hers came off the 17th smiling having won. The caddies played a big part in the match in such hot conditions a big thanks to them especially Andrew and Dave who travelled up from Kendal and past captain Anne for caddying and supporting the score 5-2 to Cumbria

Afterwards we enjoyed a lovely friendly meal with players and caddies

Durham President Gill fed us jelly babies at different parts of the course and carried the Cumbrian goodies and water on her buggy thanks Gill

Well done Cumbria on tour a great result

#### Durham Match 2017

A great turnout of home supporters saw Cumbria produce some sparkling golf and defeat Durham by a margin of 5.5 to 1.5.

In typical blustery Appleby conditions, Kathryn Bulman continued her unbeaten record with a fine win at the top of the order. This was immediately backed up by a half by Janette McWhirter in a match of the highest quality.

Great wins by Brenda Ewbank and Nic Tebbutt consolidated our lead. Rosie Waller, in the anchor slot, clinched the victory with a clinical display of matchplay golf.

Trudy Hubbard, making her first appearance of the season, watched by an enormous crowd, played superbly and completed her win with a stunning birdie on the home hole.

A great result that guarantees us at least 4th place.

We go to Cheshire next, knowing it will be tough, but with a good result we can achieve 3rd place.
