## Yorkshire Match Archive

### 2019

The weather for our match against Yorkshire was fine but quite blustery so the course proved a great test for both teams.

Yorkshire were as strong as ever with 3 members of the Jamboree team ( one of whom has just been selected to play for England ). Our players were undaunted and there were victories for Rosie Waller against Karen Jobling, the Yorkshire champion and Kathryn Bulman defeated Bet Sworowski. Sue Cotter only lost on the 17th. Other players gave excellent accounts of themselves and every match was played in great spirit.

The overall result was a defeat 5/2 . We look forward to our next match which is against Durham on Wednesday, 24 th July.

Cumbria played host to an unbeaten Yorkshire team under cloudy skies at Appleby. After two excellent away performances we were hopeful that a home advantage would work in our favour. Unfortunately this was not to be. Yorkshire claimed victory with by 6-1. Cumbria's point was made up of two excellent halves from Kathryn Bulman and Brenda Ewbank. During the match the Vets mascot was lost on the

course. The following day I searched in vain. Luckily Minnie the dog from the bungalow on the 12th tee has remarkable search and rescue abilities!!
