

Squad Training 31.03.2024

Squad training took place at Carlisle Golf Club on Sunday 31st March under the watchful eye of Head Professional Nic Tibbetts. And what a great day it proved to be, practicing those all-important short course drills - chipping, putting and bunker work before having a knock out competition to add that extra focus.

After lunch, two fourballs went head-to-head over the first eight holes, helping to consolidate the morning's coaching. Pictured above are Mandy McGrath, Nikki Tebbit, Alyson Wood, Joan Armstrong, Paula Dixon, Brenda Ewbank, Janette McWhirter and Rosie Wadmore with some action photos on the practice area. And, do you know what? The sun shine all day - a clear good omen for the season
