

**Practice match, County Ladies and County Veteran Ladies v County Senior Men,  
Penrith Golf Club, 23rd March 2024.**

The match was played in excellent spirits under extremely challenging and bitterly cold, wet conditions. The Senior Men were victorious, winning by a resounding 30 points to 6. However, there were some very close matches. As to be expected, the golf was a high calibre, particularly gratifying in such challenging conditions. Hopefully, more joint matches can be planned in the future.
