

Richardson Trophy Match v Cheshire at Seascale Golf Club

Tuesday 11th August 2025

The final match of the 2025 season was against Cheshire and was held at Seascale.

We actually managed a fine, dry day for the practice round on the Monday, and when match day dawned it also promised to be a sunny warm day with no wind, very unusual for Seascale

Our team was led out by county champion Rosie Waller and the rest of the team was Nic Tebbutt, Kathryn Bulman, Brenda Ewbank, Janette McWhirter, Sue Cotter and Margaret Shepherd.

With Cheshire in contention for the Richardson trophy, the team they had brought was an extremely strong one and although the Cumbrian ladies battled hard, Cheshire emerged winners 6 – 1 with Sue Cotter winning Cumbria's point, well done Sue!

Thank you to all at Seascale Golf Club who caddied for us or have looked after us so well, and especially to Kirsty and Lyn for their amazing roast dinners which were enjoyed by us and all the visiting teams.

I would also like to express my thanks to the Cumbrian supporters who came along to watch any of our matches, your presence was really appreciated.

Finally, as it was our final match, I would also like to say thank you to the ladies who have played in any of the matches, it has been an honour to have been captain of such a determined group of players with such amazing team spirit.

Thank you all for my memorable year.
