Ladies must be a member of the Cumbrian Veteran Ladies Golf Association

Gentlemen must be 50 years of age or over.

Both Ladies and Gentlemen must have a WHS Handicap Index

Entries will be made on line using the Handicap Master system and paid for by credit or debit card.

Entries will only be accepted until the date specified on the competition poster. No monies will be refunded after the closing date of the competition.

Occasionally tee times may be changed by the Competition Secretary, who will contact the player(s) as necessary.

If a player is not on the tee at their allotted time, R & A Rule 5.3a will be invoked.

In the event of a tie, the result will be determined by a card play off (CPO) over the back 9, 6, 3, 1, followed by the front 9.

Prize monies are at the discretion of the CVLGA Committee and determined by the number of entries.

Trophies will be presented where possible on completion of the competition and awarded again at the Annual General Meeting, usually held in October.

If play is suspended the host club's adverse weather/suspension protocol will be followed. Should a competition have to be abandoned due to adverse weather conditions, the trophy/trophies will not be presented, but prizes will be awarded on 9 holes provided that all the competitors have completed, or had the opportunity to complete, that number of holes.

A ride-on buggy can only be used by competitors if permission is given by the CVLGA Competition Secretary at least two days before the event.

The buggy must be arranged directly with the host club and paid for by the user. It can only be used to carry the player and that player's equipment. If a player uses her own buggy, she must provide a valid insurance certificate and adhere to the same conditions stated by the host club.

Caddies/trolley pushers are not allowed in any CVLGA competition except in the knock-out stages of the Silver Championships.

The CVLGA Committee reserves the right to alter or amend the terms of a competition.

All disputes and matters arising in connection with a competition will in the first instance be referred to the CVLGA Competition Secretary or if not present the person who is acting competition secretary on the day. A player(s) may appeal to the CVLGA Committee, whose decision is final.
