

Team of Three, Furness Golf Club, Monday 24th June, 2024

Summer finally arrived and blessed the Team of 3 competition with glorious sunshine, making all the players appreciate this splendid course even more. With a fantastic score of 82 stableford points the honours went to the home team of Alyson Wood, Anne Edwards and Jane Trelore. Well done ladies.

All competitors enjoyed helping past County President and Captain Jan Moore of Ulverston celebrate her 90th birthday, a very special occasion for a very special lady.

Sincere thanks to Furness GC for hosting the event, the Greens staff and to all the lady members who made everyone feel so welcome.

Thanks to everyone who entered the event; your continued support is really appreciated.

Joan Armstrong, CVLGA Captain.
